# Reading is Fun!

**Presently RIF has 47 volunteers reading with 137 students in Schenectady's 11 elementary schools.**

**The Reading is Fun Program (RIF) mobilizes volunteers to reinforce reading-readiness as well as conversational and vocabulary skills with Schenectady's students in Pre-K through 3rd grade.**

During the month of April customers may choose a book to donate to RIF and receive a 20% discount. The RIF Program is in need of early reader books with diverse characters *(we can help you choose!)*
